Dear Business/Community Member/Parent,

We recognize that a partnership between businesses and schools is very important towards the education of our students. With your support thru the "Adopt-A-Class" program our teachers would be able to purchase items towards their classroom that without your support they would not be able to buy. For a sponsorship of \$100.00, you can help our students receive those extras that make the difference in the quality of education our children receive.

In return for your contribution, your support will be acknowledged in the following ways:

- Bulldog Newsletter - Our business partners will be named and thanked in our newsletter that is distributed to all Ben Hill Griffin, Jr. Elementary families;
- Website - Your business will be thanked on the school website;
- Facebook – Your business will be recognized on the school's Facebook page;
- Certificate - Your business will receive a certificate with a picture of the class that you adopted;
- Business Partner/Volunteer Breakfast – We will hold an appreciation breakfast in your honor.

We thank you for your consideration and look forward to your participation. Please complete the attached information sheet and mail to Ben Hill Griffin, Jr. Elementary with your donation. Thank you again for your consideration.

Sincerely,

Alice Stinson
Business Partner Coordinator
